InSync

Group 12:

Justin Zhang, Aditya Borkar, Gowrisankar Palanickal, Ananya Subramaniam, Sahasra Yellapragada

Welcome to InSync

What is it?

- InSync is a social connecting website that allows students to connect with others with similar interests

Our Goal:

- Create a platform that makes it easier for students to go out of their comfort zone
- Find your circle

Users + Stakeholders

1

Students:
New and Returning

2

Club Ambassadors

3

Advisors

4

Parents

Technologies

HTML

CSS

Javascript

Chat API

MySQL

PHP

Functional responsibilities

1

User Authentication

- Log in
- Sign up

2

Profile Management

- Create and edit personal profiles

3

Friend Finder and Chat

- Matches users to create groups
- Chat with matched friends directly on the platform

4

Calendar

- Event Calendar
- Personal Calendar

Non-Functional responsibilities

1

Design

- Intuitive, user-friendly interface

2

Data privacy & security

- User's personal data should be encrypted and securely stored.

3

Email verification

- Multi-factor authentication
- Make sure they're actual students

4

Misc.

- Clear and user-friendly error messages
- Accommodate expansion to other colleges
